COMFORT WITH JOY GREAT CRAFTMANSHIP

ABOUT US

Founded in 2008 and based in Ghaziabad, U.P , AMVI stands at the forefront of the molded furniture industry through its prestigious AMVI FURNITURE brand. Renowned for its commitment to excellence, AMVI offers an unparalleled selection of furniture products, distinguished by a comprehensive range that caters to diverse needs. Select items come with a three-year guarantee, underscoring our confidence in the durability and quality of our offerings. Each piece is meticulously crafted using state-of-the-art imported machinery and molds within a highly automated production environment, ensuring adherence to the highest quality standards and practices.

CHAIRMAN'S MESSAGE

At AMVI FURNITURE, formerly known as Amul Polymer India Pvt Ltd, we are dedicated to establishing ourselves as leaders in the furniture industry by excelling in product categories, market penetration, and consumer engagement. Our commitment to innovation drives us to integrate cutting-edge technology with a compassionate approach, positioning us as a highly admired, cost-effective, and design-focused company. We aspire to significantly grow our presence in the market, promoting plastic furniture as a sustainable alternative to wooden options. By doing so, we aim to minimize environmental impact and offer solutions that are both environmentally friendly and stylish.

Mission & Vision

MISSION

To revolutionize comfort and durability in every home with innovative, eco-friendly plastic furniture solutions.

VISION

To be the leading provider of stylish, sustainable, and durable plastic furniture, enhancing everyday living with innovative design and environmental responsibility.
